"Now if it was there and there"

Jan, 12, 1974-75

To every thing there is a season, and a  
time to every purpose under the heaven:

A time to be born, and a time to die; a  
time to plant, and a time to pluck  
up that which is planted;

A time to kill, and a time to heal; a  
time to break down, and a time to build  
up;

A time to weep, and a time to laugh; a time  
to mourn, and a time to dance;

A time to cast away stones, and a time  
to gather stones together; a time to  
embrace, and a time to refrain from  
embracing;

A time to get, and a time to lose; a  
time to keep, and a time to cast away;

A time to rend, and a time to sew; a  
time to keep silence, and a time to  
speak;

A time to love, and a time to hate;  
a time of war, and a time of peace.

Ecclesiastes

Seniors

"Everything's Back to its Insane Normalty"

The senior year is most certainly a year to remember. Ahead lies a future none of us can predict. Behind are our memories of our years together.

It's strange to think that after all the lights and speeches of graduation night our class as a whole will be split forever. Plans are always made for get-togethers and reunions, but somehow it's never the same. All we have left is our memories.

Our time together has passed very quickly. In our effort to reach out and hold on to these times, we take pictures. The pages of this book will hold reminders of our senior year and our many friends and good times. May these forever help to keep our memories fresh and alive.

The Juniors started the year on a fairly successful note. Their float entitled "We're Expecting A Victory" took first place at Homecoming. Their load was lightened because no bonfire was held. But they looked toward their prom with great expectation.

# SOPHOMORES

During their Sophomore year, students are taking a great deal of required subjects to make them more able to decide on their future course of study. They are also making life long friends, not only among their peers, but also with teachers and other people in the community. Trying out their wings in outside activities, sophomores are especially successful in boys and girls sports, in membership in different organizations, and in just plain old ordinary fooling around. They are looking forward to two more exciting years at AHS.

# BUSY YEAR

The freshmen found their first year in high school to be a busy one. In the fall they had a magazine drive. They put a lot of effort into their first homecoming float, with the title "We'll Swallow 'em". It did quite well. They really got into the main stream of high school life by joining such organizations as drama, forensics, GAA, FFA, FHA, and pep club and by competing in sports. All in all, it was a rewarding first year.

## SPECIAL EDUCATION

Special education plays an important part in academic life. Mr. Blinkman, vocational coordinator between schools, sets up various capstone courses. Mr. Flesch teaches Distributive Education to juniors and seniors.

Mrs. Harden manages time to help students plan their schedules, to guide the graduating seniors, and to deal with the problems of the students.

## LIBRARY COUNCIL HAS A BUSY YEAR

ROW 1: D. Nehring, J. Dettmer, D. Marcellis, P. Rupprecht, J. Kunz, C. Holler, Mrs. Bugher, J. Perkovich. ROW 2: J. Hoffman, E. Pettis, D. Walker, B. Strauch, L. Taylor, M. Shong, N. Carlson, R. Tallman, N. Starck.

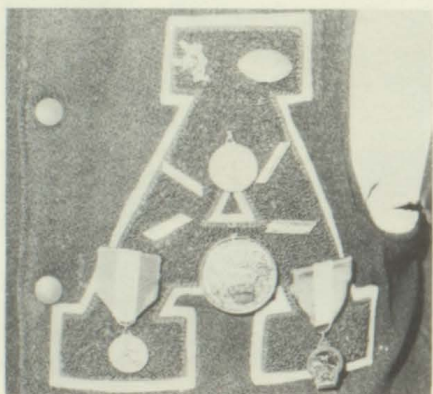

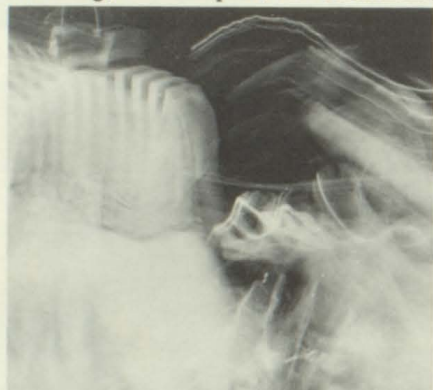

The most important event of the year for the Library Council was "the Great Move". Due to circumstances beyond our control the library was moved from upstairs to the old Ag. Room. They handled it very well, however; and soon had the new library all together.

## PHOTO CLUB IS FUN AND EDUCATIONAL

ROW 1: P. Rupprecht, S. Ida, C. Ries, N. Carlson, R. Raycher. ROW 2: B. Reetz, N. Gerike, A. Smith, B. Anibas, A. Steadman. ROW 3: M. Shong, P. Watenphul, Mr. Fitzsimons, J. Sieg.

Learning to take good pictures is only ONE of the many things the members learn to do. Mr. Fitzsimons is also very helpful in teaching the members to develop film and print the pictures. The club members make some of their funds by having picture sales.

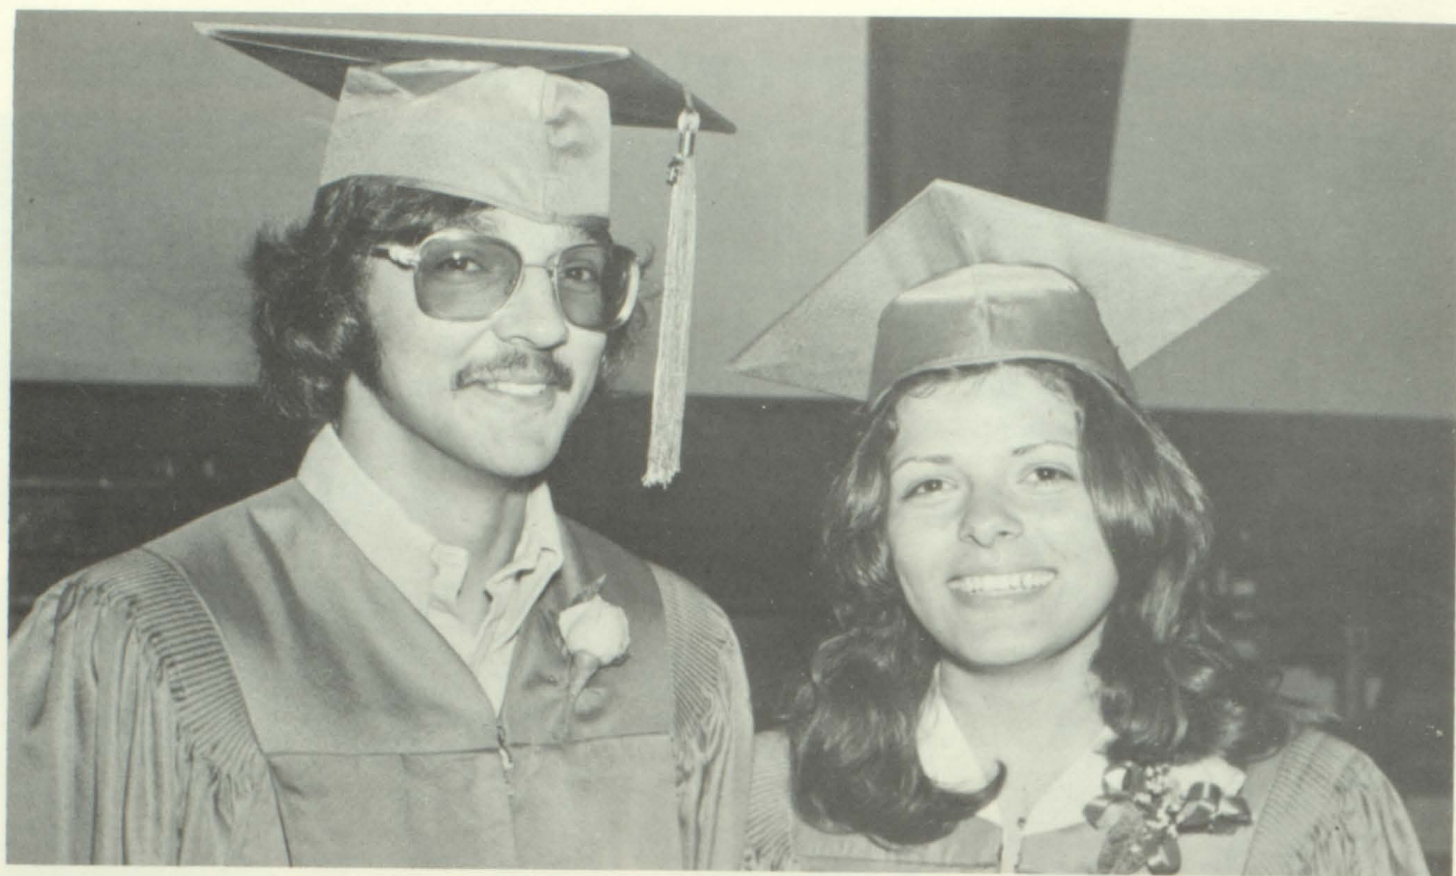

We are very grateful to Mr. Fitzsimons for providing many of the needed pictures for our annual. In addition to this, he has always been available when pictures needed to be taken for other clubs and the newspaper.

## MANY JR. HIGH STUDENTS TAKE PART IN CHOIR AND BAND

RICARDO ZARATE ADRIANA CAPPARELLI

When they first stepped off the airplane in Eau Claire, Adriana Capparelli and Ricardo Zarate were greeted, not only by their host families, but by a lot of snow and cold air. What a change from sunny Argentina, where it was summer!

But Adriana was ushered off by the Lloyd Smith family and Ricardo by the Robert Lee family and made to feel at home. At school everyone clamored to see the foreign exchange students and ask questions such as, "What are they like?" "Are they nice?" "What do they like to do?" Well, we all soon discovered that they were both extremely nice. Also, that they are really just like high school seniors here, fun loving, but studious with many hobbies and interests the same as their fellow students.

It didn't take them long to find their places at AHS. When it was discovered that Adriana enjoyed Art, especially painting and clay, she was immediately recruited to help paint the winter scene for the Winter Ball. Ricardo enjoyed playing basketball, and soon became very much a part of the team.

Of course, both Ricardo and Adriana found Augusta quite different than what they were used to. For one thing Augusta is much smaller than either of their home towns, Adriana coming from Buenos Aires, and Ricardo from Tucuman. Both seemed to adjust well; except Ricardo never did find anyone to play chess with, therefore depriving him of one of his favorite past times. (though a local tennis player did discover that he had talent.)

Their story here was not only educational to them, but also to the people of Augusta. It was always interesting to listen to them talk about their country and their way of life and compare it to what we have here. They seemed to enjoy talking about their country as we were to listen.

Adriana and Ricardo both stayed to the end of school. They also participated in the commencement exercises, caps, gowns, tassels and all.

The left Augusta on Monday, June 2, for California, where they would visit friends. It must certainly be said that having them around was a wonderful experience; something that we all should benefit from. But no matter what, we will all miss Adriana and Ricardo very much.

## JAZZ BAND CREATES THE CONTEMPORARY SOUND

ROW 1: J. Luedtke, M. Shong, P. Wilkom, S. Silvernail, S. Thode. ROW 2: G. Lindburg, C. Anibas, J. Dickinsen, J. Sarauer, W. Gabler, B. Anibas. ROW 3: N. Starck, P. Becker, M. Gabler. ROW 4: J. Seufzer, T. Wilkinson, L. Becker, S. Silvernail.

Jazz Band, a group of students chosen for their unusual musical ability, performed in three concerts this year. As in previous years, they played in the Christmas and Spring concerts. In addition, they performed in the "Music in Our Schools Day" concert. This was a special week in which teachers emphasized music in the classroom. It was climaxed by an assembly program featuring Ron Gard, Elementary Music Teacher, on the marimba and vibraphone, and Jerry Way and friend doing part of their bicentennial presentation.
