This One's For You

This one's for you
whoever you are,
wherever you are.

This one's for
times we laughed,
times we cried.

This one's for
times we loved,
times we hated.

This one's for
times we won,
times we lost.

This one's for
things we gained,
things we gave away.

This one's for
people we knew,
times we shared.

This one's for
all the years,
that went by so fast.

This one's for
all the memories,
that will always last.

This one's for
times in the future,
that we look back.

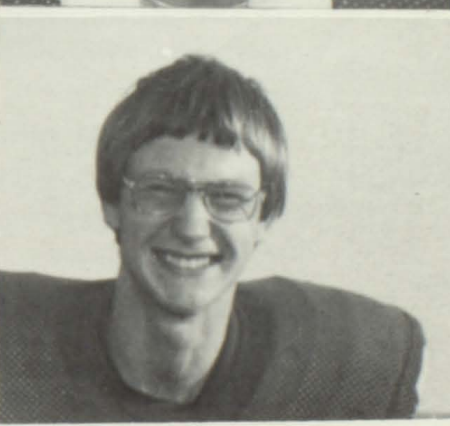

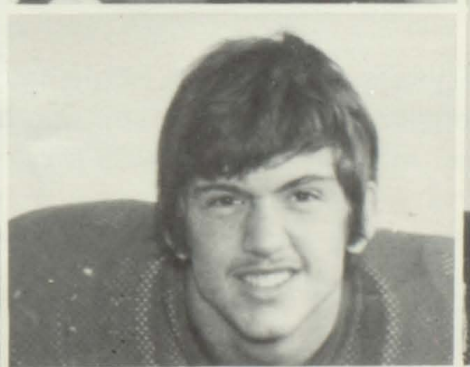

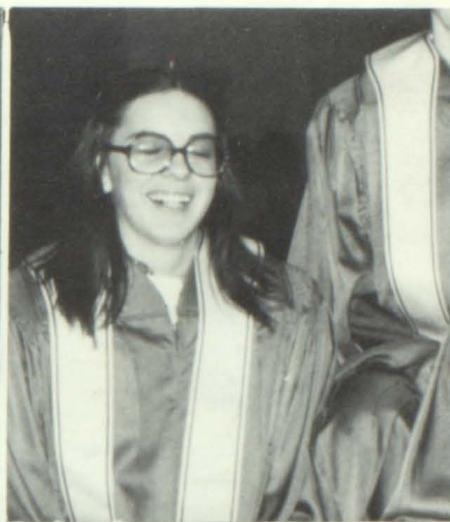

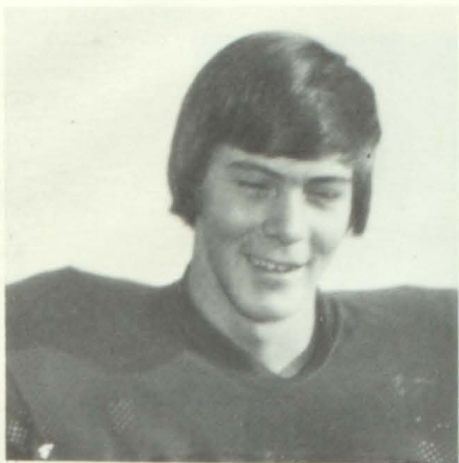

This one's to say
thank you to everyone,
for what they have done.

This one's for you
whoever you are,
wherever you are . . .

This One's For You . . .

. . . *Whoever You Are.*

"'Twas her thinking of others which made us think of her."

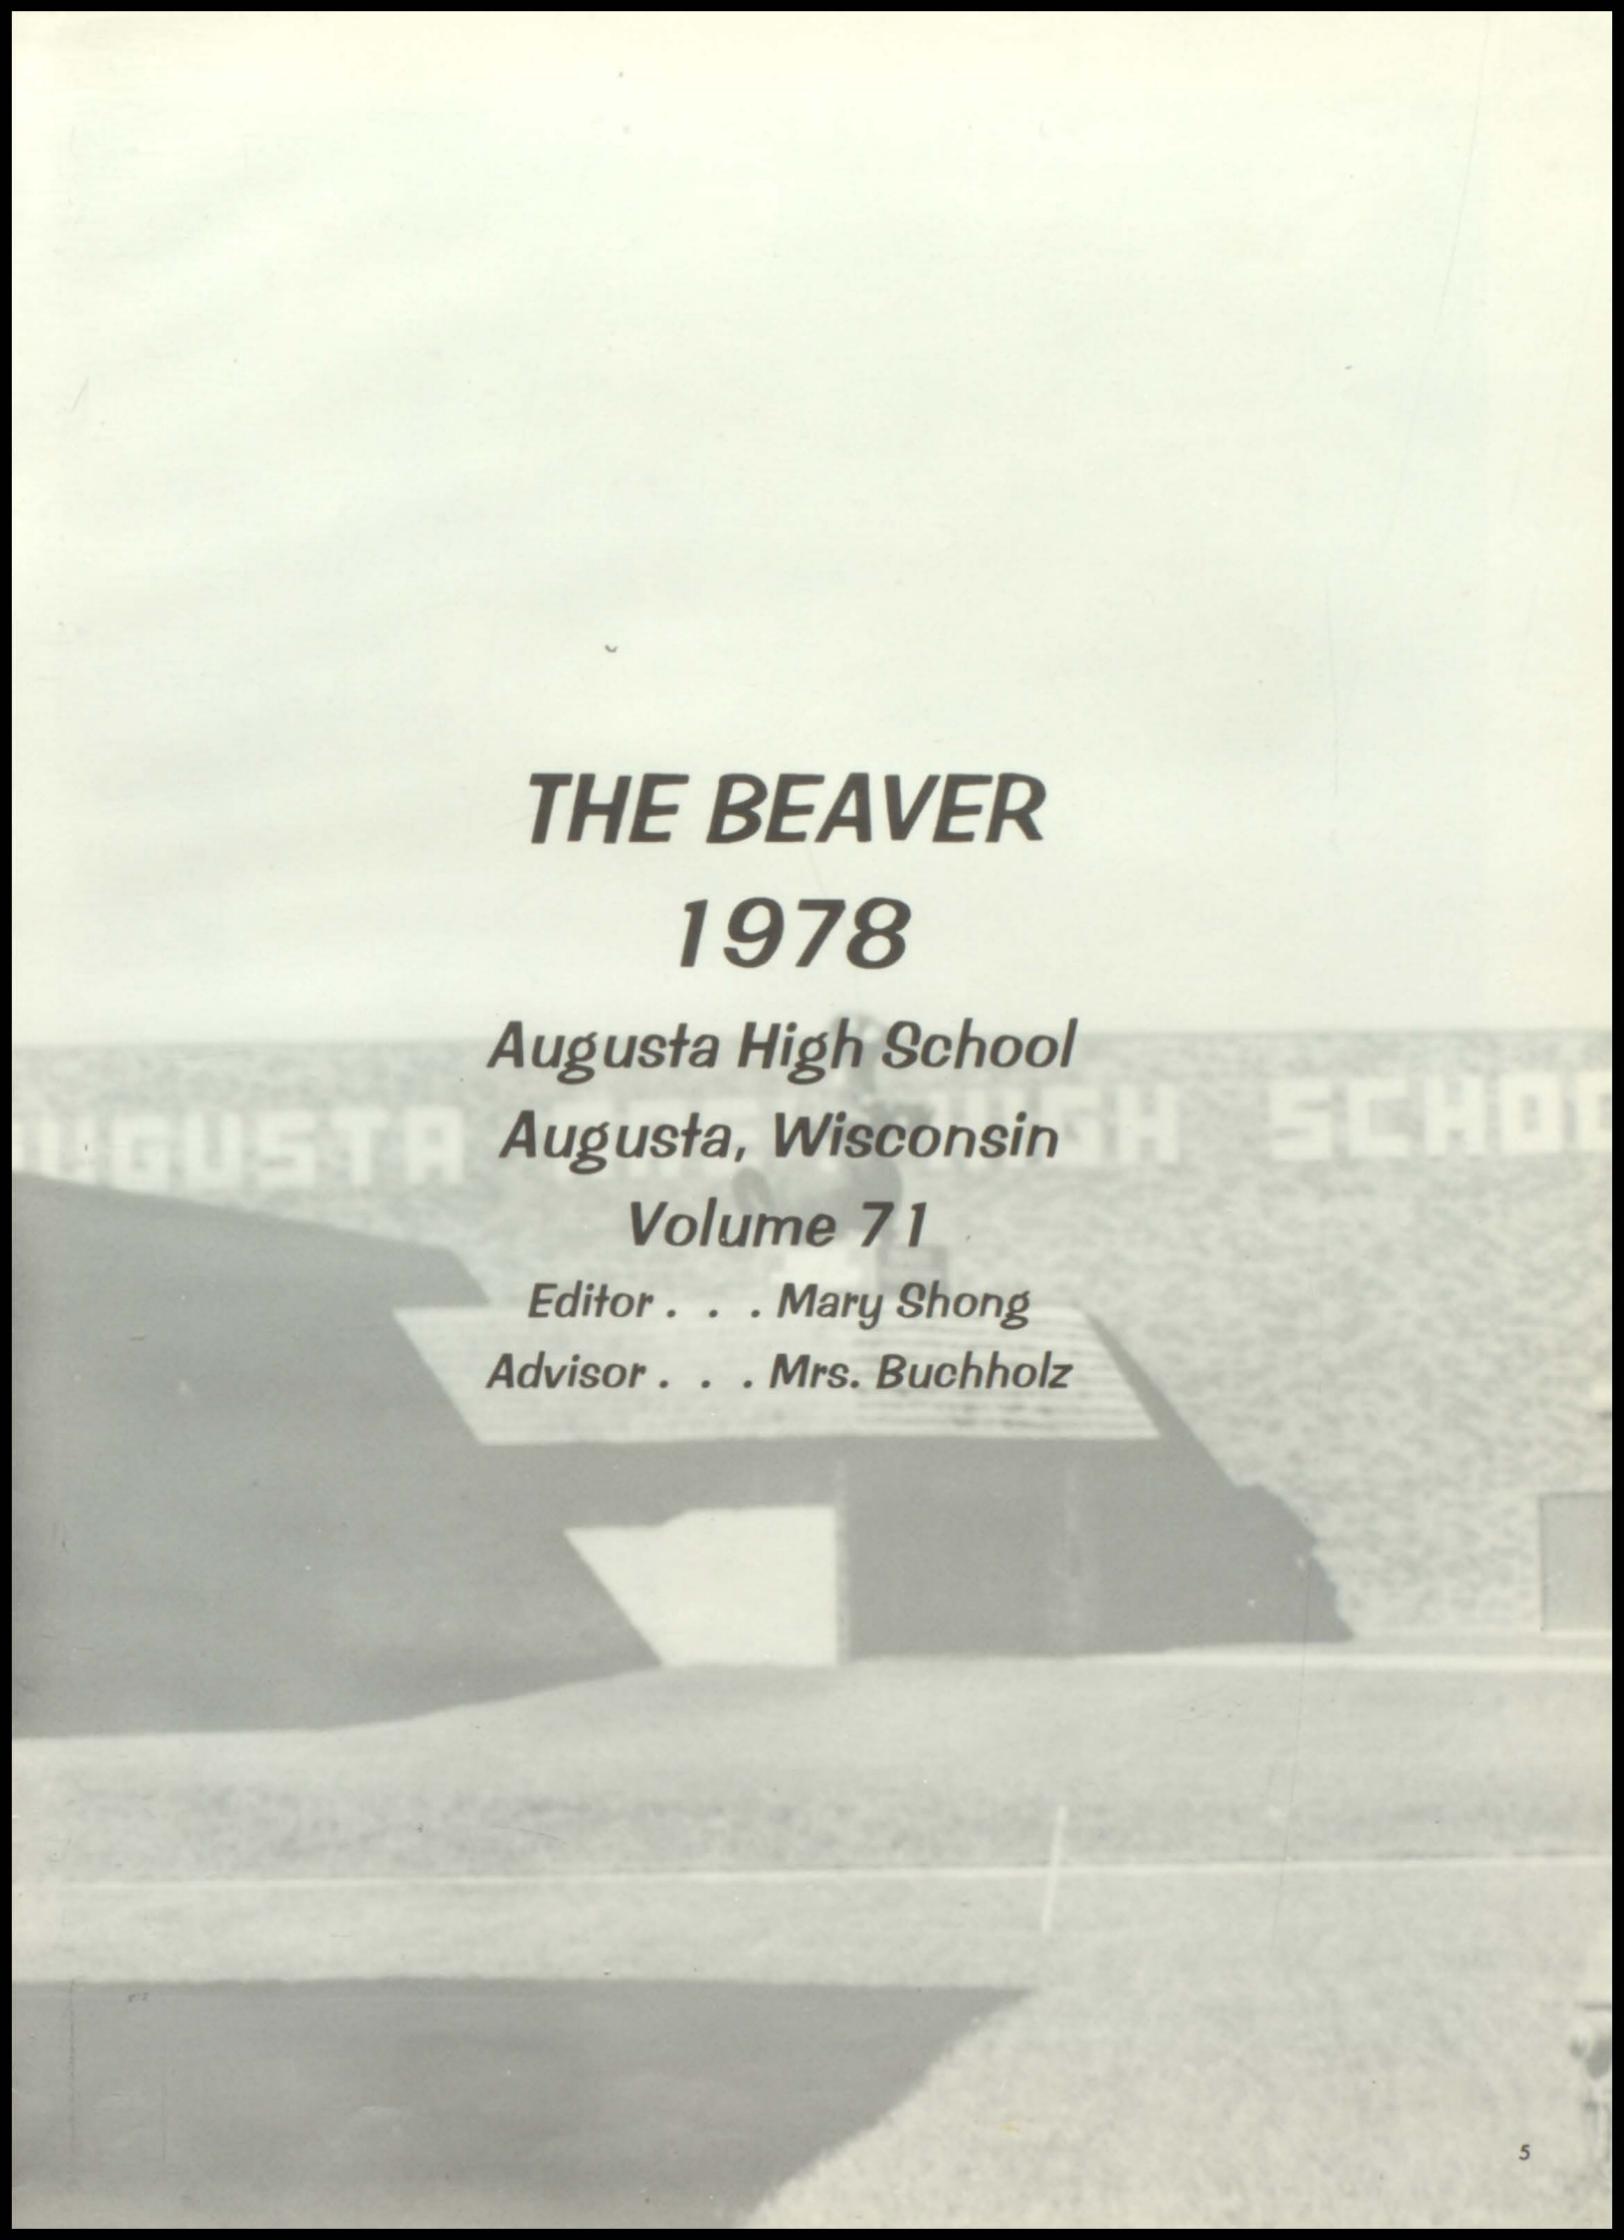

MRS. MARY PALM

For the past nine years, Mrs. Palm has devoted her time and effort to help Augusta High School. She has always offered her services whenever they were needed and aided in helping us in every way.

During her nine years she was an English teacher, advisor to many classes, Forensics, Drama Club, and in many ways a mother to us all. Forensics under her leadership prospered and opened opportunities for many students. The plays that she directed not only increased the talent of the performer but also entertained the audience. If we ever had a problem in English or Speech she was an excellent problem solver.

The members of the Senior class wish to thank Mrs. Palm for all she has done and what she has been to us. We wish you the best of luck and much happiness in the future.

Again, THANK YOU!!!

Ellen Kvadsheim: Our Foreign Exchange Student

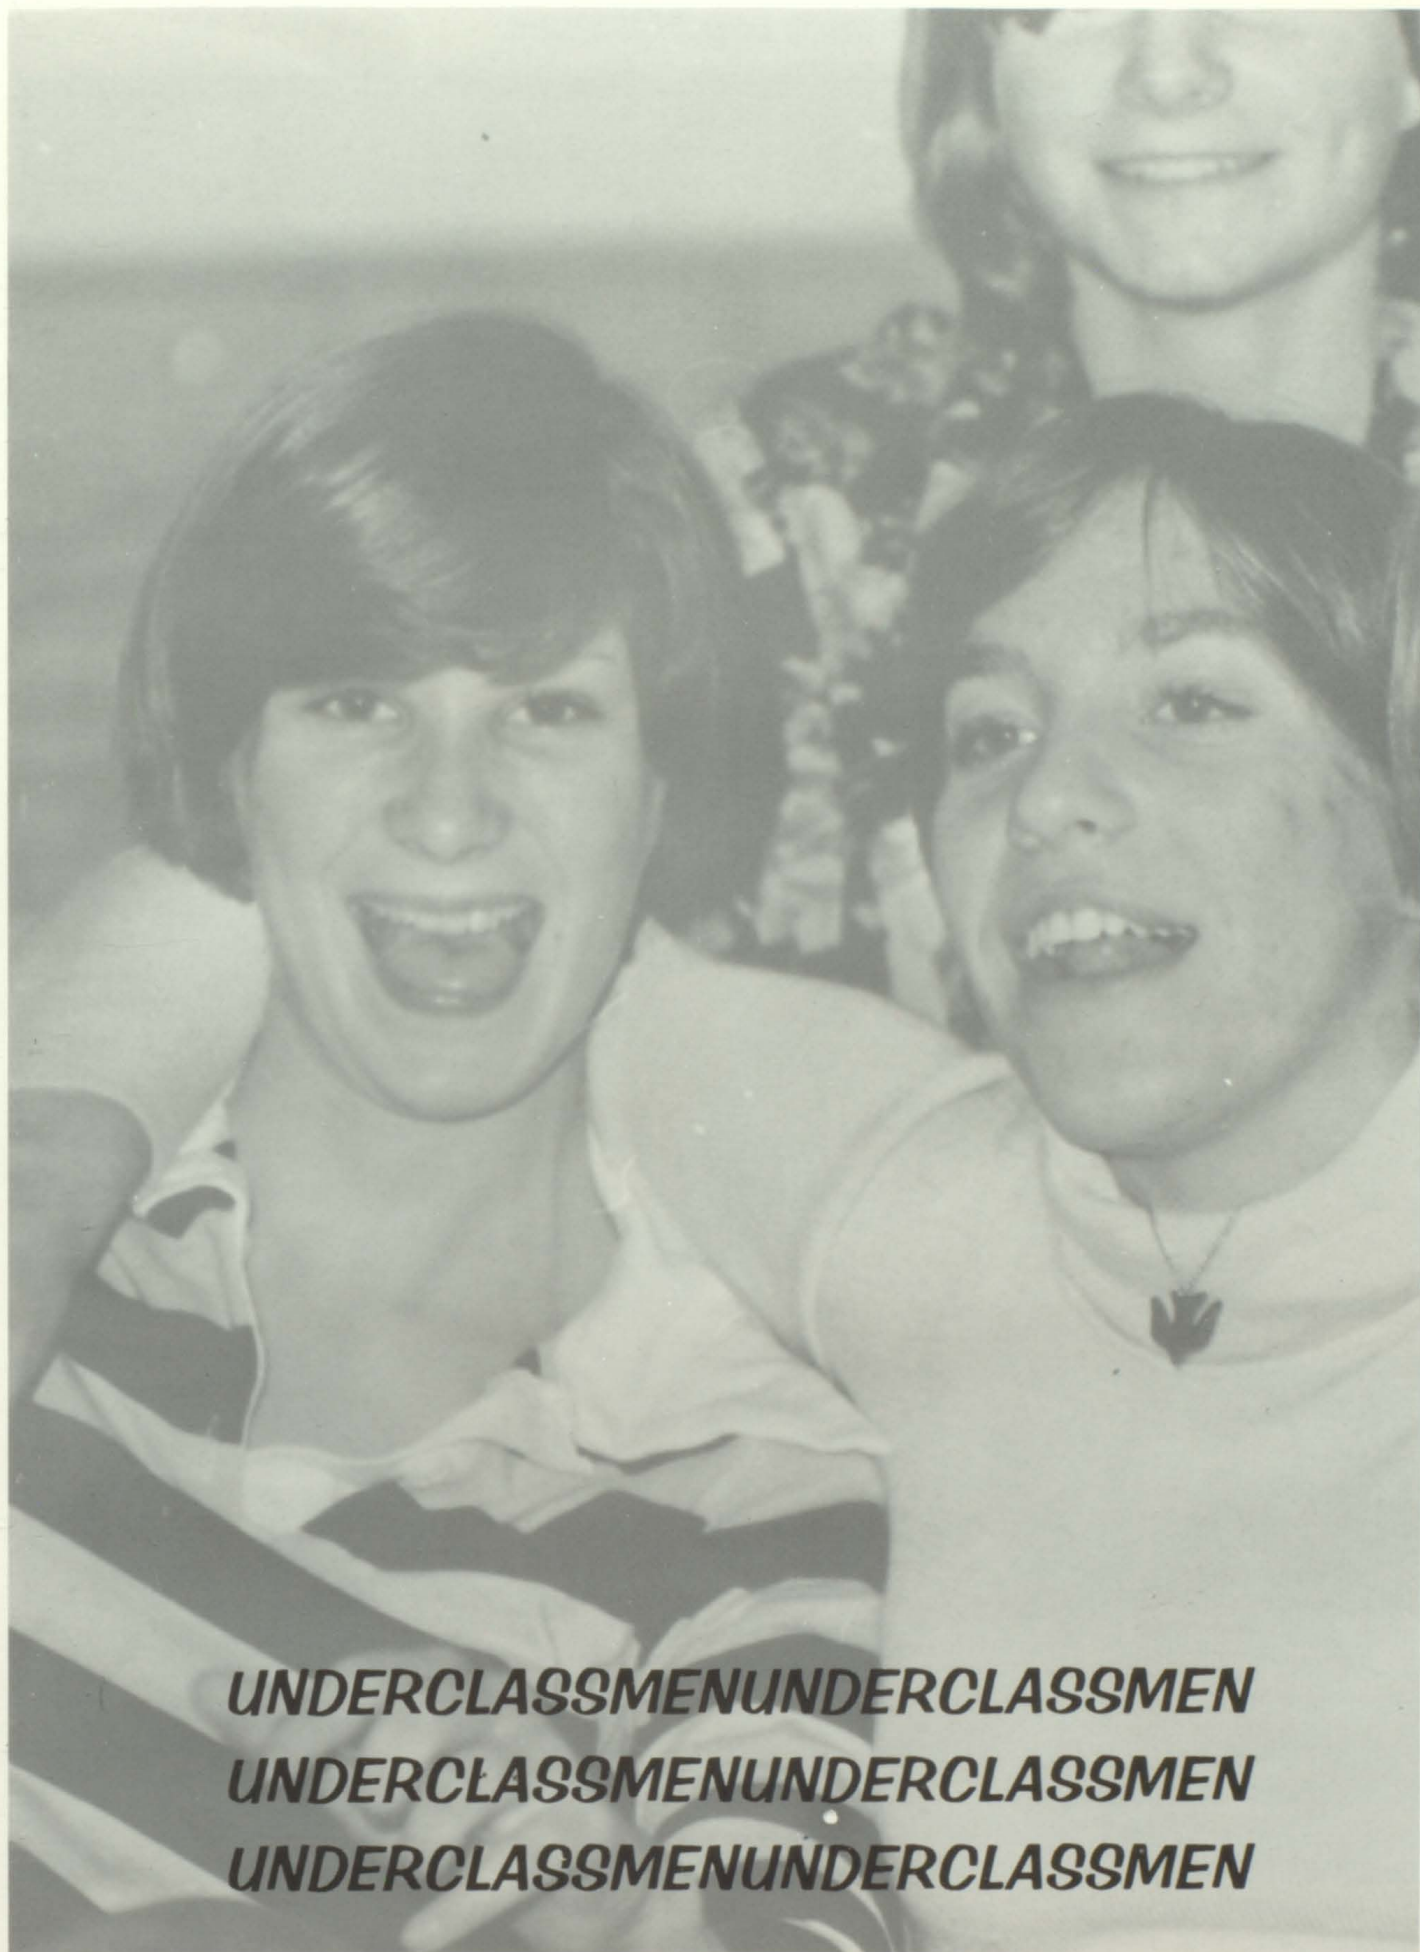

Ellen Kvadsheim left her home in Oslo, Norway and arrived to her new home in Augusta, Wisconsin on August 16, 1977. For the next year she would become the daughter of Mr. and Mrs. Robert Lee, and sister to Randy, Janice, Doug, Robert and Dennis. Ellen would attend Augusta High School as a Senior and graduate with the class.

While at school, Ellen is very active in many sports, clubs and organizations. She always has a lot of fun and enjoys herself very much.

She is very good at English, so she had no trouble communicating and has many friends. Her writing is also very good, she even wrote an article for this yearbook.

After graduation in May, Ellen and her American family will travel to California for a vacation and then in August she will return home to Oslo, Norway.

Football '78

The Story

The Augusta Beavers were predicted to do good in the Dairyland Conference. At the beginning of the season we had problems with penalties that could have won games if gone the other way. The weather also played a big part in the season. Almost half of the season was played in the rain. Our best games came midway through the season against Central. We walked away from Central with a breakaway score by Joel Pettis and Jeff Hadorn. We also played a good game against Osseo-Fairchild. We lost by 12 to a team that ended up the state Class C champions. Overall it was a good season. Augusta gained more total yards, then it gave up. The class of '78 wishes to next year's team the best of luck, and would also like to thank our coaches; Mr. Crowe, Mr. Anderson, Mr. Forseth, and Mr. Anderson for their time and good coaching.

This year the volleyball team didn't "win 'em all" but everybody sure had a good time. Some wins and some losses, but a great time with a lot of fun. The team was coached by Mrs. Pulse who knew how to do a good job. Thirteen girls were out for the A-team and they tried hard to do a good job, which everybody thought they did. Patti Honadel was the person who scored most points during the season and Rita Woodford was voted the most valuable player.

The girls also had a B-team which was coached by Mrs. Hunter.

The Story

An emerging force of the athletic season this year was the girls basketball team. Accumulating a 17-6 record and being the only team in recent history to reach sectional play-offs, the girls proved that they knew how to play ball.

Under the coaching of Mr. Anderson and Mrs. Diehl the girls put together a strong team effort. Along with this team effort came the strong will to win which meant never giving up!

The girls ended their season with a sectional loss to West Salem, who eventually went on to state competition.

It was a year with a lot of great memories that will never be forgotten.

THE STORY

The boys basketball team got off to a slow start this year but got going as the season progressed. Led by Senior Star Todd Stanek, they gradually worked toward their 8-8 conference record and 10-8 overall record.

Although Todd Stanek was an outstanding player, Seniors Tom Pulse, Jim Volbrecht, Steve Berg, and Bruce Barnes added their points, rebounds, and defensive qualities to the season standing. Juniors Mike Ball, Jeff Hadorn, Brad Whalen, Brian Smith and Dennis Barka also played influential parts necessary for the team.

The team this year contained a lot of talent by the players and they gave their all to win.

THE STORY

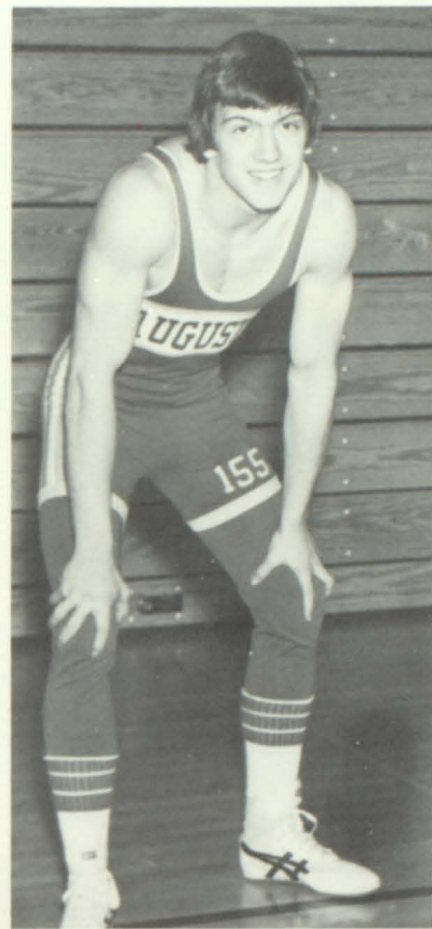

Led by senior co-captains Bill Gabler and Randy Peterson, the Beaver wrestlers experienced an interesting up and down season, finally finishing with a 3-6 conference record and 5-8 overall. While this doesn't sound too impressive, we defeated Osseo-Fairchild for the 11th year in a row and only lost to conference champs CFC by 3 points. Given a few small breaks Augusta could easily have finished with a 9-4 record. However, the breaks don't often go your way when you lack experience and that was the main problem as 20 different boys wrestled varsity at one time or another during the season. The most common line-up contained 7 first-year varsity wrestlers. Injuries played a part in the results this year as heavyweights Mike Johnson and Jeff Roberts both had to have surgery. Gabler compiled an impressive 22-6 record with two tournament championships and a fourth place finish at the sectional, narrowly missing a trip to state. Randy showed remarkable improvement by earning a 18-5-2 record and tied for the team lead with seven pins. Bill Thomas was a pleasant surprise this year, as he placed high in 4 tournaments and earned the trophy for most takedowns (26).

Precious And Few — Prom 1977

QUEEN: Jackie Berry KING: Randy Peterson

"Precious and few are the moments we two can share," was the theme of Junior Prom, 1977.

The couples danced to the music of "Bittersweet." The grand march and the crowning of the king, Randy Peterson and his queen, Jackie Berry was held at 10:30.

A white summer house decorated with pink roses and the gentle trickling of the waterfall attracted the attention of all of the couples.

Programs and necklaces were given to the couples as they arrived. The programs consisted of the theme song and the names of royalty and class officers. The necklaces were gold prom keys with an amethyst stone. Pictures were taken beside the waterfall by Aanes.

The night was definitely one to be remembered by all who attended.

Homecoming In The Pouring Rain

Although the game will be remembered as the night the skies opened and the rains came down, memory also holds the evening as one of the most exciting. The Beavers almost hauled in a win as they held the Alma Rivermen to a mere 16-13 victory.

During half time the band marched in a freezing rain to honor 1977 Queen Dale Smith and her court. The continuous down pour did not allow the winning floats to be displayed. But judging resulted in a first place rank for the freshmen, second place for the sophomores and third for the seniors.

At the dance, following the game, the coveted crowns were placed on Queen Dale Smith and King Bill Gabler. After the crowning, the court danced to the music of Misty Morning as they played the theme song "Slow Dancin'."

'78 Snowball

The 1978 Snowball was held on January 14 from 8 to 11:30 p.m. Music was provided by "Misty Morning." The Seniors chose as their attendants: Cindy Anibas, Shawn Ida, Ann Steadman, Jackie Berry, and Lynne Timm. They in turn chose: Dennis Barka, Mike Ball, Jeff Roberts, Tom Pulse, and Chuck Haldemen. Dennis Barka and Cindy Anibas were voted King and Queen by the high school students.

The gym gave the feeling of a warm winter evening with a dazzling appearance of white snowflakes over a bluish white sky. The couples danced around the gym as if in a winter wonderland and ended the evening with a feeling of winter.

The Senior High Student Council earns their money from operating the pop machine. The money is used for numerous activities. This year they furnished basketballs for noon hour recreation and sponsored lyceums. They also contributed and sponsored a money raising drive for Multiple Sclerosis.

The Junior High Student Council operates the corner store to earn money. The corner store is located in Mrs. Harriman's room and students purchase their school supplies at an easy location.

The Senior High Council is advised by Mr. Tlusty and Mrs. Harriman advises the Junior High Council.

Junior High students begin developing their musical talents through band and choir under the direction of Mr. Gotland and Miss Ellis.

Miss Ellis instructs the Junior High Choir and helps them to increase their vocal ability. They practice three hours a week and sing many different types of music. This practice prepares them for their Senior High musical experiences.

The Junior High Band is instructed by Mr. Gotland. The band practices five hours a week in which they increase their musical ability.

Through many practices and determination by the members both groups perform concerts which are attended by the public. They have a concert in the Spring and at Christmas. Both band and choir compete at solo-ensembles at the end of the year.

Mr. Gotland is the instructor for the Senior Band. The band is not only a concert band but also is a marching and pep band. The band marches at Homecoming and Memorial Day. It also performs at all home football and basketball games. Through determination and practice the band puts on a fine performance at whatever they do.

Miss Ellis instructs the Senior High Choir. The choir learns how to express music as well as increase their vocal ability. The choir along with the band performs at concerts at Christmas and in the Spring.

Individuals and the entire groups compete at solo-ensembles in the Spring, which in past years have resulted in many first places and state awards.

Your friends say they'll keep in touch, but you know they won't. Your teachers say come back and see them, and you know you won't. Maybe someday it won't matter. But right now it hurts a little.
