Eric Samuel Timm taught the Augusta High students about bullying in a new way: by painting them a picture. Eric painted a picture of Abraham Lincoln upside down, then flipped it over when he was finished. The painting now lives in Mr. Jacobs room.

The One Act Play group accomplished a lot, but their biggest one was making it to State. At State, they were awarded with The Critics Choice Award, Ensemble Award, Directors Award and 4 Individual Acting Awards.

The Miss Augusta title was awarded to Alexa Gutshall, 1st Princess was Rachel Dorf, 2nd Princess was Beth Marino and 3rd Princess was Kayla Erdman. The girls are on a float with Mr and Mrs. Bean during Homecoming.

The Baseball team won The Regional Championship Plaque on Friday June 5th. The boys pulled out the win against The Cochrane-Fountain City Pirates 9-5.

The Augusta High students were surprised yet excited when they learned they could use their phones during lunch and in between classes.

Rachel Dorf, Megan Bertrang, Maddie McConville and Kyle Priest were the four students to volunteer to become the newest Big Brothers and Big Sisters in Augusta. The Big and the Little spend time at the Elementary doing activities they both enjoy like playing board games.

The Roaring Twenties

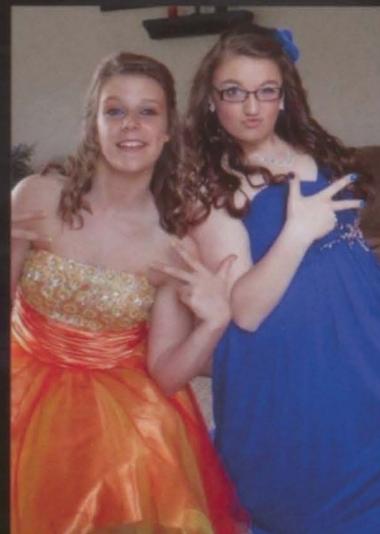

Prom Court! Rachel Dorf, Maji Hunter, Jordan Cerillo, Dani Nelson, Halle Luedtke who were voted for Prom Court, pause for a quick photo.

A flash back to the Roaring Twenties. The 2014 Prom was filled with excitement, music and a lot of dancing. The Junior Class came to the conclusion that the theme for this exquisite night would be The Roaring twenties, which was convenient since earlier in the year they had read *The Great Gatsby* by F. Scott Fitzgerald. The ceiling was full of elegant ballroom chandeliers made of Japanese paper lanterns. The walls, decorated with fishnet streamers which gave the ballroom a dark, secluded setting with plenty of room to dance.

The attendants for the Prom were last year's king and queen, Bradley Grunewald and Amber Herrick, sophomore attendants Gabe Carrillo and Abby Randall, and freshman attendants JJ Breaker and Alyssa Laxson. The Prom Court consisted of Kyle Priest, Halle Luedtke, Maji Hunter, Rachel Dorf, Jordan Cerrillo and Dani Nelson. After the Grand March it was time to announce King and Queen which was awarded to Kyle Priest and Dani Nelson!

Following this ceremony, the Junior Class stormed the dance floor to begin their all-night-long dancing. The photo booth, run by Mrs. Clark, was a smashing hit throughout the night. People from all grades joined together to create memories that would last a lifetime. Some of the students even applied the theme to their dresses and suits. The 2014 Prom was the bee's knees, the berries, and the cat's pajamas. It was an unforgettable night and one for the record books.

Kee The Tempo! This year's band is one that will live in infamy. Something to remember about this year was the Chicago Trip that the band went on. Many other memories included playing pep band music at games and the many talented musicians who participated in solo and ensemble this year. The band played in the Fall, Christmas, Pop, and Spring concerts. There were 34 people who joined band this year.

Light em' up! The flags team was an extra curricular activity linked with the high school band. The team performed at the Homecoming football game on September 26th performing a routine to the song "Light em' Up" by Fall Out Boy during half time. The team consisted of 10 members.

Often times, the girls would be at school practicing their routine to reach perfection. "Flags is a great experience, we get to know each other while having fun." Said junior Shantae Harke. Senior Kayla Erdman went above and beyond by performing her routine in the Miss Augusta pageant.

I loved being able to sing with everyone, and help to make the music come alive" said Alexa Gutshall. The students in choir always work hard to memorize the music they sing, they spend months in advance doing it. Over the year the choir students sang pop culture songs like the hit by Christina Aguilera *Say Something* or *Brave* by Sara Bareilles. With the help of Ms. Powell, the choir grew in talent and in music reading skills, by the end of the year they improved in a multitude of ways, which the choir proved with each new concert they sing.

Ready, Set, Lead! Family Community and Career Leaders of America are, as the title infers, a close knit group of people who share the interest of the community in their hearts and minds, and strive to help all they can over the course of this year. "My time in FCCLA has been a blast, I liked getting to create new bonds with people" says Jasmine Boettcher. They had several bake sales, caroled at the nursing home, wrote Santa letters, and prepared S.T.A.R. events for competition. S.T.A.R. stands for Students Taking Action with

Recognition which are competitive events in which members are recognized for proficiency and achievement in chapter and individual projects, leadership skills, and career preparation. This proficiency and achievement in chapter and individual projects, leadership skills, and career preparation. A total of nine students participated in a S.T.A.R. event. FCCLA held true to that as they helped the community in a multitude of ways including helping with the school t-shirt business, and donating food and time to help the local Food Pantry.

Big White Beaver Van. Chances are, if you were an FFA officer, you rode in the Big White Beaver Van more than once. This means you participated in many different leadership opportunities FFA has to offer. FFA prepared you for many different careers in the agricultural field. The FFA participated in many activities as the year went on. The year started off with a cookout for the members. The members did community service activities such as

volunteering at the food pantry, and making crafts for the nursing home. Monthly activities included going to the Mall of America, Rodeo, or a water park were part of the experience for members. The National FFA Convention took place this year in Louisville, Kentucky. Calvin Mayer, Evan Stensen, Matt Stanek, Cordell Stanek Isabel Lane, Kayla Martinson, Megan Bertrang and Troy Zimmerman all participated in it this year. Austin Stensen, who graduated in 2012,

received his American Degree this year, the highest award in FFA. Officer Retreat was over the summer where the officers planned all the activities for the year. The officers also went to Wisconsin Dells, did team building activities at Devils Lake State Park and went to Noah's Ark. Chances are, if you rode in the Big White Beaver Van, you had a great time in FFA.

Forensics

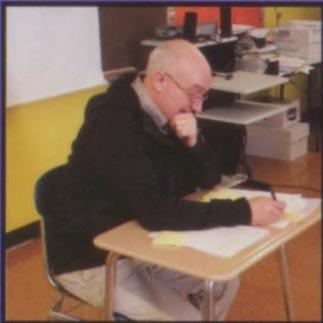

The Forensics Team:
Sam Witte, Beth Marino, Lex Gutshall, Michael Schroeder, James Goings

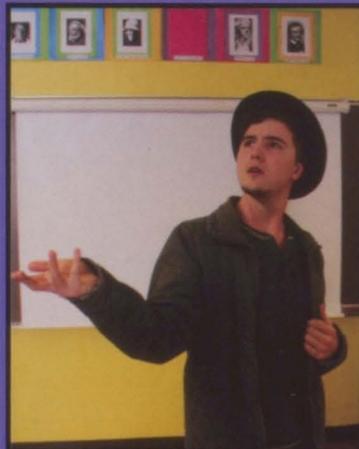

This year's forensics team lead by Mr. Collins and Leslie LaRose was not as big as it usually is. This year there were only five people forming two groups. In the first group there was Michael Schroeder, Sam Witte, Lex Gutshall, and Beth Marino. They did a group acting skit called *High School Boyfriend* by Kristen Dabrowski in which Hart (Sam) and Mena (Beth) are a high school couple going to college soon and Mena is trying to get rid of Hart. The second group

, which consisted of James Goings, performed a solo acting play called *Asking To Much* by *Lhota and Mistein* in which he played an unlikely set of roommates who are living their dysfunctional lives together. Both of these groups had worked really hard on their plays and it showed by them both going on to district after getting great scores at the first meet in Regis; in which James even got a perfect 25/25.

Forensics and Math Team

Math Team

Math team started out their practices in early January in order to be prepared for their two meets. The first meet was at UWEC where the "mathletes" competed for scholarships and the honor of getting first place. Many students came in during their free time to work on difficult problems with Mrs. Maenner, the math team leader. Students joined math team for various reasons including having a love for math or wanting to improve themselves and be prepared for college.

The second meet that the math team members attended was located at Stanley-Boyd High School. Four varsity members placed in the Top 12 individually including Abby Randall, Gabe Carrillo, Sam Witte, and Kyle Priest. Four junior varsity members also placed in the Top 12 including Kayne Korger, Katie Nelson, JJ Breaker, and Ryan Dorf. The Varsity team got first place and the JV team got third place.

NHS

Working hard in school pays off!

In order to be selected to be a part of NHS (National Honors Society), students had to maintain a grade point average of 3.0 or higher. They also had to have an excellent record and behavior in and out of school. There were four main pillars NHS focuses on which were character, scholarship, leadership,

and service. One activity the members did was they volunteered to work at the blood drive to give back and serve their community. Member Megan Bertrang said "It was a great experience and opportunity to get to know some of the members of the community".

Each month, members participated in activities including; homecoming, Trick-or-Treat Street, random

acts of kindness, Santa letters, Christmas caroling at the Augusta nursing home, and opened a coffee shop that served coffee every Wednesday morning. Senior Halle Luedtke described her experience as a student council representative saying, " I enjoy student council, because it's a chance to make decisions that impact our school. Baseball

Although the weather was tough to strike out, the boys played a lot more games than previous years. The team competed in 25 games. The Beavers started the year against Osseo-Fairchild, the defending state contenders. The Thunder won the game 3-0 but Augusta showed some grit and determination that would carry into the next game against Alma Center Lincoln. Starting varsity pitcher Quinn Kirchoff smashed a home run into center field against the Alma Center Lincoln Hornets but the Beavers didn't prevail, losing by just one run 5-6. Now it may seem like the Beavers got off to a bad start but the hunger they got from two early losses led right into an 11-1 win over Gilman; later in the season they crushed Gilman again 17-3! The Beavers were hot, but so were the Greenwood Indians, 2013 state champions; the Indians didn't stand

a chance against the Augusta Beavers when they came to Jan Krueger's Baseball Memorial Field and left with a 2-0 loss. Later in the year the Beavers wanted to prove their talent once again when traveling to Greenwood and once again taking down the Indians 5-1. The boys had a great season moving onto regional finals, the team got hot winning the first two regional games. The boys had a tough challenge playing the CFC Pirates, the 4th ranked team in the state, but the Beavers were too much to handle as they prevailed as Regional Champions. Unfortunately the amazing run had to come to an end in an heartbreaking loss in the Sectional Semi Final. In the last year of Cloverbelt competition the boys proved they belonged, finishing with a competitive 8-9 record. Senior Trevor Barka was awarded honorable mention. Troy Zimmerman was awarded 2nd team all conference and Quinn Kirchoff was awarded 1st team all conference.

Cross Country

Run Beavers, Run! Looking for another eventful season the cross country team, filled with a variety of freshmen through seniors, started their season off with a scrimmage at Levis Mound, a park near Neillsville. Next up was the biggest meet of the year, with over 20 teams, at Wildwood Park in Marshfield. The Beavers pushed themselves during practice and while doing drills, such as the "Puke-a-saurus" which involves doing 20 sit-ups, running an 800 at full speed, and finishing with 20 push-ups. The season kept on running and the team continued improving their personal best times. As a way to challenge the team Coach Jacobs had the team write down their goals for the season. Some of these

goals included time goals, individual place goals, and team place goals. "My personal goal this year was to run a meet in under 26

minutes!", said Freshman Kaylee Kewin. The Conference meet was in Cochrane-Fountain City this year. The boys finished 6th overall and the girls finished 4th. To prepare for the final meet, Sectionals, the team met up at Old Country Buffet in Eau Claire to help motivate and nourish them for the big race the next day. After carb-loading up, the Beavers went to Boyceville for the final run of the season. No one advanced past sectionals, but looking back at the season senior Sam Witte stated - "This year really taught me that no matter what holds you back, you can still learn and make the best out of anything".

Football

Compete Everywhere.

These two words represented the team's spirit and dedication to the game of football. The two-a-day practices began August 22. They consisted of lifting weights and running to get the team into shape, as well as getting offense and defense installed. "We were going to be the best team possible no matter what it took" according to sophomore JJ Breaker. To start the season, the Beavers traveled to Lake Holcombe/Cornell. It was a hard fought battle in the blistering hot sun. During the game there were key turnovers and limited players. These factors didn't

help and the Beavers fell to the Knights 0-19. Next, the Beavers took on the Clayton Bears with an early six to nothing lead; A series of positive events led to the team's first win of the year. After the big win on the home field, there was one more home game before they hit the road for two weeks. The end of the season was near and it was time for the biggest game; the homecoming game against the Alma Center Lincoln Hornets. Senior Matthew Stanek led the team onto the field to start the game. "It was fun to have the leadership role", said Matthew Stanek. After a hard fought battle, Alma Center ended up

beating our Beavers in the final moments of the game. The last game of the season was senior night against the Blair-Taylor Wildcats. The combination of lifting weights and running during the season paid off that night as the Beavers triumphed over the Wildcats with a final score of 38-0.

The Beavers were coached by Andy Jarzynski, Dan Waters, Joe Zawacki and Todd Kimball.

Bump. Set. Spike! With a fresh start in the Dairyland conference the high school volleyball team began their season with a promising start winning their first 5 games. The girls had better team chemistry than ever before. Junior Shantae Harke agreed with that statement saying "We had more team chemistry than previous teams because we have played together for years and we know everyone's strengths and weaknesses". In order for the team to be successful this year, during the summer they worked hard at conditioning camp and played in the Altoona volleyball league every Thursday night. The girls ended the season 7-3 in conference. They lost a hard fought game to Regis in the first round of Regionals. All Conference Awards were awarded to Maddie McConville who earned First Team and Cathy Renneke who earned Second Team. Overall they had a very successful season.

Boys Basketball

Leadership! Ten seniors, three returning starters, and young talent were what the Beavers boys' basketball team looked like this year. Having ten seniors brought a lot of knowledge to the court. Although the season wasn't a state championship one, the amount of seniors on the team brought an arsenal of 'know how to win' attitude to the floor. This leadership sprouted young players such as: Juniors Hunter Alix and Carter Berlin to step up and play, along with sophomore Kayne Korger and freshman Carter Jacobs. Kayne explains his experience on the varsity court as a freshman and sophomore as "scary" he said "It was nerve wrecking to be a freshman starter." Kayne also added "Having so many seniors to look up to has help me become the player I am today, they were able to bring the team together when we needed it most, I hope

that when I become a senior I will be as good of a roll model to the younger players as the seniors now have been to me." Pressing play on the season, the beavers took on Eau Claire

Immanuel Lutheran November 25th, they ended that cold November night with a 53-40 conference win. As the season progressed, the young men had their ups and downs with a couple losses. They came back to a non-conference game against Weyauwega-Fremont, ending the game with a hot win in double overtime 64-53. Senior Jordan Cerrillo showed his winning attitude by hitting the buzzer beater shot to kick it into the first overtime, "I was so happy when I hit that shot, the team worked so hard to get back into this game. We battled with strong defense to bring back the double overtime win!" The boys moved on from this win to an even 7-7 record leading to the play-offs. Again they were up against Eau Claire Immanuel Lutheran for the cross over game at Immanuel, not unlike the first game the boys triumphed with a 57-43 win. This brought the Beavers to Mondovi for their first play off game. After a hard fought battle they ended their season with a 10-13 record, barely losing to Mondovi 58-61.

Above: Dive Dive! #4 Freshman Carter Jacobs hustles to steal the ball from an opponent. Carter worked hard for every loose ball resulting in many steals and recoveries. He is a jv and varsity player and worked his way up to the varsity floor more and more as the season progressed.

Girls' Basketball

Starting from Square One. The team started off with a handful of new things. Competing in a new Conference with new coaches, new teammates, and even a new offense was a great opportunity for the Beavers to start fresh and begin down a path of success that they had strayed from in previous years. After two full weeks of practice, the girls traveled to E.C. Immanuel for their first game. They were unable to take home a W, but were instead motivated to achieve the next nine games, including a victory against the defending Dairyland Conference Champions, Whitehall. Defeating Whitehall was a game that not only put the girls at the top of the conference, but also demonstrated great teamwork by having four girls score in double figures. Their 9-1 record was the best start that an Augusta Girls' Basketball team had had since the State team of 1996. The girls went into Christmas break with a near flawless record, and sitting at the top of the Dairyland Conference. The break

was followed by back to back games of the two toughest match-ups yet, Stanley-Boyd and Independence; both teams had tall players who could score. The Beavers fought hard but were unable to keep their streak going. However, they started their winning right back up again on a Saturday non-conference game against Mondovi. Devon Shilka comments that the thing she enjoys most of her senior season so far is "Winning is always great! But besides that playing with a great group of talented girls is so fun!" The girls continued on to be undefeated until a game against Cochrane-Fountain City, where the point difference was exactly the same for both games. With a 12-3 record in conference, the Beavers, for only the second time in Augusta Girls' Basketball history were tied with C-FC for Co-Conference Champions. The last Lady Beaver team to hold the Conference Title was in 1983.

Top Middle Devon Shilka comes out of the team tunnel full of energy, ready to protect their house and go home with a win.

Top Right Kylie Behrendt hustles down the court to get ahead of the defense, and to get in a scoring position.

With all of the conditioning and drills at practice, the rookie Kyle Gjerseth said, "My favorite thing to do during practice was the sprints because they are a lot of fun. Even with all of the

hard work at practice, it was also was place where the team built camaraderie". JJ Breaker and Kyle Gjerseth secured a place at sectionals this year. JJ still had a lot more goals for his Junior year. He planned to make it to state, be a conference champion and end with a total of 40 wins.
