Meet & Greet

It is that time of the year to stop in and visit your child’s teachers. Parent teacher conferences will be held on Wednesday, March 6th from 12:30-8:00 p.m. New this year, all middle and high school conferences will be scheduled online. This will help you to reduce the time waiting for the teacher’s availability and to ensure a solid block of time to connect with them. In addition, the conferences will be held in the teacher’s classrooms, thus allowing a bit more privacy. Simply login into your Skyward account, select conferences on the left hand column, and select schedule time. That’s it-Please watch your email for more specific instructions.

There is an old saying that if you look hard enough you can find something for everyone. Well, during the month of March that is quite true. Winter athletics including wrestling, boys and girls basketball is wrapping up. Not skipping a beat, the spring sports are anxiously awaiting warmer weather so they can get outside to begin practice.

The fine arts department is gearing up for their mid-winter concerts. Please join us on March 4th (high school) and March 5th (middle school) in the high school gym for spectacular nights of singing and instrumental music.

Recently students had the opportunity to find something that interests them as they completed registering for their 2019-20 classes. Seniors are planning for life after high school, while the other students are preparing for their upcoming state testing.

With something for everyone we remain grounded in our belief that nothing is possible without you, the friends and family of our students. Thank you for your continued support of the August School District.

Finally, even with all the snow we anxiously look forward to spring break. All schools will be closed March 25th-29th for spring break.

Happy spring...... and don’t forget to set your clocks forward one hour on March 10th at 2:00 a.m.

Music News
The Augusta Music Department was pleased to host WSMA Middle School Solo/Ensemble Festival on January 26th, 2019. Middle school students from Augusta, Eleva-Strum and Alma Center Lincoln participated in the event. Students prepare a vocal, instrumental or piano solo or small group ensemble to perform for an adjudicator. Adjudicators are trained through the Wisconsin School Music Association to provide feedback to help students improve their performance. Adjudicators fill out a rubric for each performance and based on the score on the rubric, students can earn either a gold, silver or bronze medal. I am happy to say that all our Augusta students earned gold and silver! Autumn Randall, who performed an advanced Class A flute solo will be heading to the State Festival at UWEC in May. Congratulations to Autumn on this fine accomplishment!

We had several volunteers help to keep the festival running smoothly. Thank you to Emily Bergum, Raelene Bergman, Becky Boettcher, Glen and Jacob McSparran, Amber Boone, Will Jacobs and Jenna Washetas for volunteering to help with our Festival. Thank you also to Kristina Hanson and Hannah Hedberg and the DIVAS group for organizing concessions and a pancake breakfast that day.
Global Play Day

On Wednesday, February 6th students enjoyed 30 minutes of unstructured play. No electronic devices or battery operated toys were allowed. The students played social games like cards, board games, legos and puzzles, to name a few. It was a fun time enjoyed by all!

For more information, visit www.globalschoolplayday.com

Girls on the Run (GOTR)

Business Challenge

On Friday, February 15, 24 students (6 groups of 4) traveled to CVTC in Eau Claire to compete in the Northwest Wisconsin Junior Achievement (JA) Business Challenge. JA’s purpose is to inspire and prepare youth to succeed in a global economy by teaching entrepreneurship, financial literacy and work readiness. The goal for the Business Challenge is not only to allow students to meet community business leaders and learn how to operate a business, but award students with postsecondary education scholarships. Each group was assigned a mentor, a business leader from the community, to help and support their decision-making while competing using the JA Titan program. The students are broken into 5 different industries in which they need to make business decisions about the company and the product it is selling. One of our groups received 1st place in Industry 4 and each member was awarded a $25 Visa Gift card sponsored by RCU. This team comprised of Brock Horel, Jacob Engstrom, Brennen Stensen-Veenendall, and Logan Brown. It was a great day and all of the student represented Augusta proudly.

FBLA – Regional Leadership Conference Results

Five students from the FBLA organization traveled to Superior, Wisconsin, to compete in the Regional Leadership Conference. Aaron Dorf competed in Public Speaking and received 7th place; Mitchell Lyons and Noah Belknap competed in Global Business and received 4th place; Grant Goodell competed in Banking and Financial Systems and received 2nd place. Ryan Grunewald was unable to attend due to his obligations with the National Guard, but is Grant’s teammate for Banking and Financial Systems. Grant and Ryan will move on to the State Leadership Conference in Green Bay, Wisconsin, on April 8-9. Each of these students worked hard and did their best and represented Augusta proudly.

Congratulations

On October 27th, Autumn Randall was invited to perform with the All-State Middle School Honors Band held in Madison, WI. This is a very difficult group to be accepted into and required an audition in April where, as a 7th grader Autumn had to play a prepared solo as well as her scales as quickly as she was able. Autumn was one of only 6 flutes from around the state to be part of the group.

REFIT®
REFIT® is a life-changing group fitness experience that rocks your body, heart, and soul with powerful moves and positive music, to inspire you from the inside out. Powered by human connections, we turn boring, “have-to” workouts into a “can’t miss” community fitness experience! REFIT classes propel students to their best selves through dance, toning, balance and flexibility. Our easy-to-follow formula is perfect for both beginners and fitness enthusiasts, with workouts designed for everybody and every body — regardless of age, size, shape or ability.

REV+FLOW by REFIT®
LOW IMPACT + HIGH INTENSITY
This one-of-a-kind fitness format is kind to your joints without compromising the intensity of your workout. The movements will challenge you in inspirational and motivational ways!

BALANCE + STRENGTH
REV+FLOW focuses on increasing overall strength, power, flexibility, coordination, balance, and mobility — all of which are often compromised by the modern, sedentary lifestyle.

FLEXIBILITY + TONING
Reaching, lifting, bending, and turning are all common activities in everyday living. These movements are woven into the REV+FLOW format to provide opportunities to use (and not lose) these important functions.

The proceeds of this event will help fund the POPS program at Augusta Elementary School. The POPs fund is used primarily to defer the costs of field trips for students, supplies, and items for classrooms, and other needs that arise to support our students. A portion of the proceeds will also support the Augusta Cross Country program.

This event will be held rain or shine. No refunds will be given. Strollers will be allowed, no roller blades or pets please. A safety helmet must be worn if participating in the bike ride.
Dear Partner in Education,

The Augusta Elementary Beaver Bolt 5K/bike ride is just around the corner. Last year's fun run brought close to 400 participants. Our goal each year is to bring more camaraderie and a sense of community to this event. This yearly gathering has grown in size since its start five years ago. One way we'd like to increase participation is to recruit more students to join us for the run. For some families, the registration fee may be a barrier for them to participate. If you would like to sponsor a child so they can be a part of this growing school/community event, please complete the section below along with the $15.00 registration fee per child. All sponsorships can be mailed or delivered to Augusta Elementary School in care of Nicole Steinmetz. Due to your generous sponsorship, a child will get to participate in this wonderful experience. We greatly appreciate your thoughtfulness. Should you have any questions about your sponsorship, please contact me at 715.286.3319 or nsteinmetz@augusta.k12.wi.us.

Thank you,

Nicole Steinmetz

Dear Parent/Guardian:

Our goal this year, as in the past for the annual Beaver Bolt is to get more students to participate in this fun and active event. As a participant for the last five years I can tell you it’s one of the most enjoyable activities I am involved in. Parents, students, and members of the community lace up their shoes and partake in this growing event. Numerous staff members also participate along with their family members from near and far. The race itself has doubled in size since its birth and we’d love to see that number increase even more. We understand that the registration fee may be of hardship for some families. Therefore, this year we’ve reached out to generous sponsors so more children can participate in the 6th Annual Beaver Bolt. If you would like your child to be considered for sponsorship to participate in this year’s Beaver Bolt please complete the form below and return it to school by April 12, 2019. Students names will be put into a lottery and parents will be contacted if their child is selected. The number of sponsorships will depend on the donations received. We do ask that if your child is chosen that an adult is present with them on race day. Race day this year is Saturday, April 27, 2019 starting at 8:30 AM. We hope you’ll consider having your child join in on this wonderful, feel-good event.

Your Partner in Education,

Nicole R. Steinmetz

Rev. 2/4/19
The success of any organization is determined by the quality of people that comprise that organization. At Augusta Schools we feel we have great students that attend our schools as well as great parents and community members that support their children and the schools. We also believe we have a very talented, hard-working, and dedicated staff that serve our students. We would like to highlight our great staff by featuring profiles of staff members in the "Employee Spotlight". We hope you enjoy getting to know a bit

**Name:**
Olivia Schneider

**Time at Augusta:**
Since August 2018

**Current Position:**
Second Grade Teacher

**Hometown:**
Malone, WI

**Background & Family:** I grew up in Malone, Wisconsin, which is a smaller town than Augusta actually. This is the reason why I love working at Augusta. I am a small-town girl at heart! I have wonderful parents who have taught me everything I know! My dad works for a plumbing shop and my mom is a paralegal. I also have a big brother, who works at the family farm. Growing up, I spent a lot of time on the family farm which was previously owned by my grandfather and his brother, and currently it is owned by my uncle and my second cousin. My family has taught me many things, but most importantly, hard work and kindness will always go a long way in your life. I am forever grateful to be raised by so many wonderful human-beings!

**Hobbies & Interests:** My interests outside of school are living a healthy life filled with good friends and family. I cherish having positive people in my life very much! Also, I enjoy being active, spending time with my family, trying new things around Eau Claire, and playing/watching sports!

**Interesting/Unknown Facts:** I was named after my great-grandmother Olive who was my mom's grandmother, role model, and best friend growing up!

**Why I Enjoy Being Part of the Augusta Area School District:** I really enjoy working at the Augusta School District because of the flexibility and confidence my leadership team instills in me. Also, the trust they have for me by allowing me to use my education and expertise in my classroom. It is amazing to have such continuous support from them along with my co-workers surrounding me. Most importantly, I love the students and their families. It has been so fun getting to know them especially being the newbie in a small district. I am so happy! I was given the opportunity in my teachers' meeting to coach middle-school girls' volleyball too because I got to know students and their families who are older in our district. I cannot wait to keep growing and establishing relationships in the future to come!

**Megan Rogus**

**Name:**
Megan Rogus

**Time at Augusta:**
7 years

**Current Position:**
Second Grade Teacher

**Hometown:**
Bloomer, WI

**Background & Family:** I graduated from Bloomer High in 2007. After high school I attended UW-Superior for two years, then transferred to UW-River Falls where I completed my degrees in Elementary Education and Health Education. I ran track at both universities. My husband and I welcomed our first child, Braxton, in November 2018. We live in Chippewa Falls, WI.

**Hobbies & Interests:** Track and Field has been a part of my life for the last 18 years, whether it be running or coaching. It's something I'm very passionate about. I am also a member of a book club and enjoy reading anytime I can. My husband and I love being outdoors fishing (summer and winter), hunting, camping, and 4-wheeling.

**Interesting/Unknown Facts:** I have never had a cavity!

**Why I Enjoy Being Part of the Augusta Area School District:** I love working here in Augusta because of support from other staff and administration. I can't imagine working anywhere else. I feel like a welcomed member of a team.

B. Planning & Recognition

1. Consideration of Out of State Trip
Motion by Joe Smith second by Mike Lea to approve the Wildland’s out of state school trip as presented. Voice vote, all present yes. Motion Carried.

2. Consideration of Early Release Days for 2019-20:
Mr. Abel and Mrs. Steinmetz presented to the Board the idea of having early release Wednesdays in place of late start Fridays. Students would be released 1 hour early on Wednesdays. Advantages of this change would allow for students to leave early which addresses the supervision concerns. Additionally, this would allow for students that wish to obtain tutoring help from older students the opportunity to receive it. This also provides a consistent pick-up time every morning. Administration is asking the Board consider this change and vote on this at the upcoming February meeting.

6. Special Education & Pupil Services Fall/Winter Report: Mrs. Axelrod provided the Board with an update on the Special Education Program in the District and the new teachers and staff in the program. Mrs. Axelrod also reported on UW-Eau Claire faculty visit to the District and the positive feedback she received. Mrs. Axelrod also reported on the new reading curriculum, Sunday System, currently being used in the elementary and incorporating such curriculum into the middle/high school, her visit to CVTC and the app that is currently being used in the middle/high school that reads text to students. Other updates included the t-
shirt shop which has provided a very positive work environment for the students as well as the start-up of a coffee cart that will be offered to staff by students in the program. The funds from t-shirt shop will help fund the start of a coffee cart business.

C. Policy & Legislation
D. Business & Finance

1. Discussion of Preliminary 2019-20 Budget: Mr. Nelson provided a preliminary budget proposal to the Board for the 2019-20 school year. This is a very early estimate as the state’s biennial budget, which has not been introduced yet, will play a big part in determining state aid for the next two years. Administration used the following general assumptions for expenditures: 4% increase in wages and insurance. If the state continues to increase aid as they have during the past budget cycle the District will have a balanced budget for 2019-20.

2. Fund 50 (food service) Transfer from Fund 10 (general fund)
Motion by Sarah Erdman second by Kelsey Lee to approve the transfer of Fund 10 to Fund 50 as presented. Voice vote, all present yes. Motion Carried.

V. Administration Reports

A. Elementary Principal Report:

1. Elementary School Updates: Mrs. Steinmetz reported PBIS referrals are down from last year and the focus is on classroom expectations as this is where most referrals are coming from, set a new goal focusing on the Classroom Community-setting goals to lessen classroom referrals in each classroom with celebrations if reached. Mrs. Steinmetz also provided the board with an update on the school based mental health program and Rtl. Mrs. Steinmetz also reported mid-year evaluations have been completed and the Crisis Team is working on completing a universal crisis binder for substitutes in the elementary. Other updates: Global play day happening February 6, sponsorships are coming in for the 6th Annual Beaver Bolt-April 27 and the Forward Exam will occur in mid-April.

B. Middle/High School Principal Report

1. Middle School and High School Updates: Mr. Abel reported that the teachers continue with their book study, Fair Isn’t Equal which will provide the basis for developing a grading policy for grades 6-12. Juniors just completed the ASVAB test as well as the pre-ACT test. A handout was provided to the board showing results of the pre-ACT. Other updates provided by Mr. Abel included: students are starting to registering for classes for next year, first semester ended, Middle School Solo & Ensemble-pancake feed was held on Saturday, January 26, and the National Honor Society has been working with the middle school students. Mr. Abel also provided an ODR hand-out to Board showing ODR’s have declined over the last couple months.

C. District Administrator Report

1. Learning Environment: Mr. Nelson reported that the Xcel peak control program will go into effect in March. Mr. Nelson also reported asking staff to get their requests in for any new innovative furniture.

2. Transportation: Mr. Nelson also reported that he will be asking for Board consideration at the February meeting for the replacement of the custodial vehicle.
3. District Operations: Mr. Nelson reported Cluster A day is February 8 and staff will be attending professional development at the following districts: Augusta, Fall Creek, and Osseo. Osseo School District will be offering Trauma Sensitive and Phase II of Learn to Love Mondays. Fall Creek offering discipline with dignity. Augusta will be offering a session on Dyslexia as well as Secondary Math with Michelle Parks-CPM math curriculum. Mr. Nelson also reported Summer school 2019 information will be circulating soon and there will be two sessions offered in June and August. Mr. Nelson reported that the residential enrollment count from September to January was steady, retirement notices need to be received by February 19 and provided the Board with the 90 day check in form that he is currently conducting with first year staff.
